

GOD IS THE MASTER OF HISTORY

“We firmly believe that God is master of the world and of its history. But the ways of His providence are often unknown to us. Only at the end, when our partial knowledge ceases, when we see God ‘face to face,’ will we fully know the ways by which – even through the dramas of evil and sin – God has guided His creation to that definitive Sabbath rest for which He created heaven and earth.”

THE CATECHISM AND SCRIPTURE

#103 “..the Church has always venerated the Scriptures as she venerates the Lord’s Body.

#105 “God is the author of Sacred Scripture. The divinely revealed realities, which are contained and presented in the text of Sacred Scripture, have been written down under the inspiration of the Holy Spirit.”

#106 “God inspired the human authors of the sacred books. [...] it is as true authors that they consigned to writing whatever He wanted written, and no more.”

#107 “The inspired books teach the truth. [...], we must acknowledge that the books of Scripture firmly, faithfully, and without error teach that truth which God, for the sake of our salvation, wished to see confided to the Sacred Scriptures.”
